A program dedicated to creating a positive learning experience for pre-schooler's, ages 3 to 5, with the goal of meeting the emotional, mental, physical, & social needs of your child in a warm and loving environment. The program follows a curriculum that includes, academics like counting and sequencing, letter & number recognition, theme related art & crafts, swim lessons and gym activities. Children must be potty trained to attend.

* Children register each month and fees reflect monthly fees per child.
