#### **Financial Assistance**

“YMCA of Austin programs and activities are designed to benefit persons of all backgrounds, and fees are based on the cost of providing each program. While participants are expected to pay their fair share, when financial assistance dollars are available, the YMCA will assist any individual or family that wants to participate but cannot afford the fee.”

**We're for Youth Development, Healthy Living, and Social Responsibility.**

The mission of the YMCA of Austin is to put Christian Principles into practice through programs that build a healthy spirit, mind, and body for all.
