Session dates for fee-based programs:

February: Feb 6 – Mar 4

“Y” at the beginning of the name indicates that the program is free. Free classes are first come, first serve and are **only open to Y members** unless marked otherwise. Registration is located at the Child Watch desk. Due to limited space we recommend you sign up 10 to 15 minutes before class starts.

Please see our website for full program registration and cancellation policies for our fee-based programs, which require prior registration in order to participate.
