The Summer schedule runs from June 5th to September 2nd and is subject to change.

Free programs are ongoing through the spring while fee based programs run on a reoccurring 4 week schedule.

Session dates for fee-based programs:

June: June 5th – July 1st

July: July 5th-29th

August: July 31st-August 26th

“Y” at the beginning of the name indicates that the program is free. Free classes are first come, first serve and are **only open to Y members** unless marked otherwise. Registration is located at the Child Watch desk. Due to limited space we recommend you sign up 10 to 15 minutes before class starts.

**Parent Child art is every 2nd and 4th Tuesday of the month.*

Please see our website for full program registration and cancellation policies for our fee-based programs, which require prior registration in order to participate.
