

Artistic Creations

Let your mind run wild and unleash the artist in you. We'll draw, paint, and create our way to artistic distinction. Campers will have the opportunity to explore the art world and seek inspiration for their own masterpieces.

Island Getaway

Whether it's in the Bahamas, Cozumel, or South Padre Island, everyone enjoys a chance to beat the heat with a splash. We'll bring the best of the beach to you with a splash-tastic week of games, relays, and water-related crafts.

Sharks `n Minnows

Beginner, intermediate, and experienced swimmers are welcome! With the help of dedicated YMCA swim instructors, campers can improve their skills regardless of their starting point with four, 35-minute long group lessons each week.

Full STEM Ahead

This week we'll examine the world of science, technology, engineering, and math that surrounds us. Test your skills and improve your knowledge as we experiment with everyday materials and work together to invent the wonders of the future.

Go Green!

We have all the tools needed to reduce, reuse, and recycle! Let's learn how simple changes can help us take care of the environment and protect it for generations to come.

Olympiad

Campers will spend the week learning the customs and rich cultural history of their camp's chosen country. Run, skip, and laugh your way through various challenges at the end-of-week Theme Camp games along with hundreds of other campers.

Space is the Place

Future engineers, astronauts, and scientists unite as we explore beyond our reach. Design your own planet and create your own spaceship to travel out of this world!

Into the Wild

Do you feel the call of the wild? Somewhere within, we all connect to the natural world. Campers will spend this week expanding our knowledge of the animal kingdom from the most exotic creatures to beloved Texas favorites.

Every Hero Has a Story

A boundless week of reading and storytelling awaits. Campers will learn about a diverse range of heroes through the power of reading. Get ready to jump brain-first into the world of literacy!

Crack the Code

This spy camp is made for you and your friends! Test your mind and body, sharpen your strengths and skills, and don't forget about teamwork. You will be solving mysteries in no time!

Endless Summer

This week is jam-packed with activities and excursions to help us finish the summer with a bang. Share your favorite camp moments, exchange friendship bracelets, and say farewell. This summer finale is sure to send you away counting the days till next summer!
