WELCOME TO CAMP

Dear Parents,

Welcome to YMCA Summer Day Camp! At YMCA camp, we provide a happy, healthy environment for children to learn and grow. At Y Summer Camp, campers gain a sense of achievement, build relationships, and find their sense of belonging. For campers, camp provides opportunities for physical, social-emotional, and cognitive learning experiences. And for parents, camp offers peace of mind knowing their child is in a safe and enriching place. Camp curriculum will emphasize the YMCA's core values: caring, faith, honesty, respect, and responsibility and the Search Institute's 40 Developmental Assets. YMCA staff model these values and teach these skills during all camp activities.

Caring adult staff, age-appropriate curriculum, and low ratios ensure campers with a summer of fun, enrichment, and achievement and you with the confidence that your camper is laughing and learning in a safe environment. At camp, children will swim twice weekly at one of the YMCA's unique interactive pools or city pools. Additionally, Kinder, Theme, and Sports campers will enjoy one field trip per week, while Adventure campers can look forward to three field trips every week!

Field trips for Theme Camp will include the Austin Aquarium, Green Gate Farms, and the Bob Bullock Texas State History Museum. Kinder Camp field trips will include the Dino Park, the Thinkery, and Wonder World. Blazer Tag, Soccer Zone, and Typhoon Texas are a few of the Sports Camp field trips for this summer. Adventure Camp field trips will include Six Flags, Texas Paintball, and a special trip to YMCA Camp Moody. We promise that all trips will be safe, exciting, and age-appropriate.

Stay connected with the Y and with your camp. Visit [Austin YMCA Summer Camp](#) webpage for the most updated swim locations, field trip destinations, and maps to each of the camps. [Like us on Facebook](#) and [follow us on Twitter](#).

A list of the Program Directors and their contact information is listed online and on page 21. Should you have any concerns regarding your child's YMCA Summer Day Camp experience, please contact the Program Services YMCA and ask for the appropriate Program Director. We cannot answer your questions or remedy your concerns unless we are made aware of the issue.

We look forward to meeting you, and extend a personal invitation to your camper for a summer full of fun and friendships! Thanks for choosing the YMCA of Austin.

Sincerely,

Andrew Wiggins
District Executive

Shayna Molinar
Associate Executive

READY. SET. SUMMER!

This summer, the YMCA of Austin will offer 23 camps across Travis, Hays, and Bastrop Counties including Kinder, Theme, Sports, and Adventure camps. All camps will offer swimming, field trips, games, crafts, and character development activities. Camps will operate from 7:30 am - 6:00 pm at designated schools, churches, and YMCA facilities. GENERAL CAMP INFO (continued)

CAMP UPGRADE

Over the past two years, the Austin Y has worked to incorporate the YMCA of the USA's Camp Upgrade into our Day Camp program. The purpose of Camp Upgrade is to help further the social and emotional development of children. The Upgrade provides intentional structure and time devoted to promote youth reflection, youth choice, and youth affirmation. This initiative new upgrade will help youth feel like they belong, allow them to try new things, and put them in a position to make new friends. At the YMCA, we strive for all children to have a sense of belonging, achievement, and the opportunity to develop positive lasting relationships.

ENRICHMENT ACTIVITIES

Includes arts & crafts, science & math activities, nutrition/wellness activities, reading, journals, and performance opportunities, such as talent shows, music, comedy, cooking, etc. Other projects will also be implemented that encourage children to use team skills, be creative, and challenge themselves.

CHARACTER DEVELOPMENT

The YMCA of Austin has five character values that are interwoven and emphasized throughout our daily activities: Responsibility, Honesty, Caring, Faith, and Respect. Staff is encouraged to teach, model, and reward these character values at all times. Additionally, curriculum activities are designed or chosen to correspond to the Search Institute's 40 Developmental Assets. The Assets are "40 common sense, positive experiences and qualities that help influence choices young people make and help them become caring, responsible, successful adults."

CENTERS

Children will be able to choose from a variety of board/card games, drawing/writing materials, books, manipulatives, and other supplies.

HEALTHY SNACKS

The YMCA will provide a healthy morning and afternoon snack each day. The Y uses the Healthy Families program guidelines to order low-fat, low-sugar, and low-salt snacks. Additionally, we are constantly pushing our food vendors to provide more ordering options. Parents may pack a drink or alternative snack. A snack menu is posted on the site bulletin board. Parents must tell site staff of a child's allergies or negative reactions to food. Although nutrition is considered and the YMCA is working with food vendors to order and deliver nutritious snacks, the YMCA is not responsible for the nutritional value of food provided.

HEPA STANDARDS

Healthy Eating and Physical Activity Standards (HEPA) standards were created in conjunction with Michelle Obama's Let's Move Campaign. Implementing these standards helps ensure that the Y is serving your kids with healthy best practices, including fresh fruits and vegetables and other nutritious snacks, water available at all snacks and meals, limited screen time, and at least 60 minutes of moderate to vigorous physical activity each day.

The YMCA has partnered to deliver CATCH® Kids Club games and activities. CATCH (Coordinated Approach to Child Health) has 25 years of university-led research and has been shown to have statistically significant and positive impacts on child health behaviors including: increase in moderate to vigorous physical activity levels, improvement in self-reported food choice habits, positive family impact, and reduction in childhood obesity levels and risk factors.

All staff is also required to become certified in Adult, Child, and Infant CPR, Standard First Aid (FA), and Basic Water Rescue.

HEALTH & SAFE ENVIRONMENTS

IMMUNIZATIONS

All immunizations must be current and up to date. Your child's immunization record, including TB test and vision and hearing screening (if required by school district), must be current and on file with the school nurse. If child's immunization record is not on file at local elementary school, the immunization records must be submitted along with the registration information. A copy of exemption from Immunizations for Reason of Conscience must be submitted along with the Y Camp registration forms.

ILLNESS & INJURY

Small cuts and scrapes will be treated by our CPR/First Aid certified staff using standard first aid procedures. In cases of serious illness or injury, the Site Director or Assistant Site Director will contact parents immediately. If the parent cannot be reached, the designated 'emergency contact' will be called. The YMCA will contact EMS at any time necessary for the safety of a child, which may involve transportation to an emergency medical facility.

Please keep sick children at home. Children 100.4+ degrees, or those experiencing vomiting, diarrhea, or other infirmities are not allowed to attend Y Camp until fully recovered.

FOOD ALLERGIES

Licensing requires that children whose registrations indicate that they have a food allergy must submit a Food Allergy Emergency Plan, prepared by a health care professional, at the time of registration and prior to attending the program.

This Food Allergy Emergency Plan must include the child's full name and date of birth, each food the child is allergic to, possible symptoms if exposed to those foods, and the steps to take if they have an allergic reaction. The plan must be signed and dated by the health care professional and signed and dated by the primary parent listed on the registration.

Most health care professionals have their own format for the information, which we can Accept as long as it meets the above criteria. Please email this information to programservices@austinyymca.org along with your registration materials.

MEDICATION

All medication to be administered by YMCA staff must:

- Delivered directly to the Site Director/Assistant and be in the original container, with physician's name/number.
- Signed Child Medication Form with clear written instructions regarding dosage and times to be administered
- All medication will be kept in a locked box and will only be administered by the Site or Assistant Site Director.

***It is the parent's responsibility to pick up all medication at the end of each day or week. We are not able to hold camper medication beyond each camp week.**

HEAD LICE

The YMCA will contact the parents of any child who is found to have head lice. That child will be asked to be picked up early and will be allowed to return only after a successful treatment which results in the complete removal of live lice and nits. YMCA will notify all other parents of incident. Upon return, the child's head will be checked by YMCA staff. There is no financial or time compensation for missed days.

PINK EYE

Children with pink eye should stay home, but may return 24 hours post-treatment.

HEALTH & SAFE ENVIRONMENTS (continued)

RATIOS

The Texas Department of Family and Protective Services requires a minimum of one staff per 22 to 26 children. The Y is proud to strive for a 1:15 ratio for on-site activities and a 1:10 ratio for active play, swimming, and field trips.

LARGE GROUP FORMAT

Due to the large group format of our program, the YMCA is unable to provide one-on-one care and makes no claim to do so for any child. Exceptions include: injuries, immediate disciplinary issues, and certain personal care needs customarily provided to all children.

SPECIAL NEEDS

Y Camp is open to all children, and the YMCA will work with children of all abilities. Parents have a duty to disclose significant medical, physical, or behavioral needs at the time of enrollment. Due to the large group format of camp the Y is unable to provide one-on-one care except on intermittent basis. If your camper has a special need and may need an accommodation or assistance from camp staff, we strongly encourage parents to contact the YMCA Program Director before the camper's first day to discuss how to best prepare that camper for success.

EMERGENCY PREPAREDNESS PLAN

All Y Camp sites have an emergency preparedness plan customized to their location and facility. Weather drills are practiced regularly. We monitor bad weather and take precautionary measures to keep children safe during severe storms.

SUN EXPOSURE

The YMCA is aware that the summer heat in Austin can be severe, even unbearable at times, and has long-term implications. We try our best to schedule outdoor activities for only short periods of time as well as provide plenty of water breaks and time in the shade. Children will not participate in outside activities when the temperature exceeds 104 degrees. In advance of planned outdoor activities, we encourage parents apply sunscreen on their camper before sending them to camp. We also encourage parents to send SPF 30 or higher sunblock with your camper throughout the summer. Children over 7 years old are taught to self-apply sun block daily. Younger children are assisted by staff prior to outdoor activities.

WINTER WEATHER

During the cooler winter months, the YMCA will not go outside to play when the temperature drops below 38 degrees. Please make sure you send your child to camp with a winter coat.

GANG FREE ZONES

According to TDFPS guidelines, we are required to inform parents that under the Texas Penal Code, any area within 100 feet of a child-care center is considered a gang-free zone. The YMCA of Austin adheres to and endorses these guidelines.

SAFETY OF CHILDREN'S PRODUCTS

According to TDFPS guidelines, the YMCA of Austin will post and notify parents and employees of the Consumer Product Safety Commission (CPSC) recall list. The YMCA of Austin is also required to certify in writing annually that no unsafe products are in the center.

HEALTH & SAFE ENVIRONMENTS (continued)

LICENSING

TEXAS Department of Family and Protective Services (TDFPS) and Department of State and Health Services (DSHS)

Texas Department of Family & Protective Services (TDFPS) Minimum Standards and Texas Department of State Health Services (DSHS) Standards will be observed during the conduct of the YMCA of Austin's Summer Day Camp. ANNUAL CAMPAIGN

More than 60 years ago, the YMCA of Austin planted the seeds of community. Now, we grow stronger together. We are a nonprofit organization that believes everyone, regardless of age, income, or background, should have the opportunity to learn and grow with us at the YMCA. That's why we offer 'Membership for All', our financial assistance program that ensures no one is turned away for economic reasons. We are a powerful advocate for the community, because we are the community.

Each year, through our Annual Campaign, 100% of donations received are used to support program & membership financial assistance. In 2016, the YMCA of Austin invested \$2.3 million into the Austin community through programs such as Summer Camp, Afterschool Care, Youth Sports, Swim Lessons, LIVESTRONG at the YMCA, Youth & Government and so much more. Every dollar donated makes a big difference. Here are some ways your donation will provide opportunities for others:

- **\$50 will give:** one session of swim lessons, ensuring a lifetime of fun and safety in the water
- **\$100 will give:** one week of summer camp for a child, creating life-changing experiences
- **\$250 will give:** one cancer survivor strength & wellbeing with LIVESTRONG at the YMCA
- **\$500 will give:** one youth sports team a season to build confidence, teamwork & healthy habits

BEHAVIOR CONTRACTS

Good behavior is important to everyone in daily life. Children involved in YMCA camps are expected to adhere to basic rules which promote a good, safe and secure learning experience. When a child ignores or disregards rules, everyone's experience is diminished. A Behavior Contract is the first formal step to help solve rule violations. The Behavior Contract involves parents, child, staff, and requires participation of all parties.

If your child's behavior becomes an ongoing concern, then a Behavior Contract will be issued. Failure to correct behavior may result in suspension or dismissal. Not all of the steps of a Behavior Contract will be taken every time a child breaks a YMCA rule. Disciplinary action is determined for each child based on the severity of the action. Violence or issues compromising the safety of YMCA staff or participants will not be tolerated and can result in immediate suspension or expulsion from the program.

A Behavior Contract will be in place for 10 program days. A child can receive up to two behavior contracts. If a child cannot correct the behavior by the end of the second contract, then the child may be removed from Y Afterschool and Camp programs for one calendar year. If there is a desire to re-enroll the child in Y Afterschool or camp programs, a meeting between the family and a YMCA Program Director is required to discuss how both parties can work ensure a child's successful participation.

Termination from the program may result from:

- Inappropriate behavior of child or parent that endangers the participant, other children or YMCA staff
- Failure to pay program fees
- Consistently late in picking-up child
- Inappropriate language, conduct, or action by a parent
- Custody issues which disrupt the program

Please note that if termination of program occurs due to behavioral concern, no refunds or credits will get applied for the remaining days of the camp session. Any deposits and/or registration fees paid are also non-refundable or non-transferable. No exceptions.
