YOUR GIFT CREATES A YMCA FOR ALL

At the Y, strengthening community is our cause. Every day, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive.

We believe that lasting personal and social change can only come about when we all work together to invest in our kids, our health and our neighbors. As the leading nonprofit committed to helping everyone thrive at each stage of life, we are uniquely positioned to take on new and long-standing challenges more comprehensively than anyone else.

Your support through the YMCA of Austin's Annual Giving Campaign makes this possible.

Together, we can lift up our neighbors and empower each other to live healthier, more active, connected lives. We can ensure that Austin youth develop the values, skills and relationships that lead to positive behaviors, better health and educational achievement. We can save lives by teaching kids to swim. We can create a community where Active Older Adults feel healthier and stronger, and develop friendships that go beyond the walls of the Y. We can create a YMCA for all.
