### THE Y: SO MUCH MORE!

You know us for being the place where your child can find a safe place to socialize, do homework, eat snack, and play after school. But we have so much more to offer than that! Did you know that while you're enrolled in EAC YMCA programs, you could be taking advantage of a YMCA of Austin family membership rate of **\$50 monthly**?

Being a Y member gives you access to 8 Austin and Hays locations where you can work out, take classes (some free!), get discounts on programs like youth sports, swim, and be part of a community. [AustinYMCA.org](https://AustinYMCA.org) offers Community Resources, Family Activities, Educational Resources, free Virtual Programs, and YMCA Live classes for Y members.

To become a Y member, visit [AustinYMCA.org](https://AustinYMCA.org) or visit your local YMCA of Austin branch, and tell them that you are currently enrolled at the EAC YMCA.

### EAC YMCA VALUES

**HONESTY** is one of the Y's core values, represented by the color blue! A great way to teach kids about honesty is through storytelling. Read books such as The Boy Who Cried Wolf or Franklin Fibs. Talk to your child about the events in the stories, whether the characters seem trustworthy, and the moral of being truthful so people believe you.
