

Extend-A-Care YMCA

Summer 2022 YMCA Camp Moody Themes

Full Day Camp 7:30am -6:00pm

Weekly Theme:	Dates:	Description:	Outdoor Education Focus:	Challenge of the Week:
LNT, you know me.	June 13th-June 17 th	Battle it out with fun competitions and leave no trace learnings all week as camper groups represent their color while caring for their planet!	<i>LNT (Leave No Trace) Principles</i>	<i>LNT Flow and Color Wars (Rocks)</i>
Back to our Roots	June 20th-June 24 th	Let's get back to nature and explore the flora and fauna from turkschap to orange osage tree. Your camper will experience the diversity that is central Texas.	<i>Plant Identification and application</i>	<i>Nature Scavenger Hunt</i>
Campers vs. Nature	June 27 th - July 1 st	Can you survive this week of shelter building, fire making, and knot tying? Campers will focus on survival techniques and skills.	<i>Survival</i>	<i>Shelter Challenge</i>
Watermania	July 5 th - July 8 th (4-day week)	Water you waiting for? Water is a must for Summers in Texas. Join us for a week of water facts and fun!	<i>Water</i>	<i>Water Relays</i>
Down the ISLE	July 11 th - July 15 th	Help us start sustainable practices at Camp Moody that will allow you and others to come back for years to come! This week will focus on giving back and minimizing our footprint.	<i>ISLE - Integrated Sustainability Land Experience</i>	<i>Go Green! Green out Friday and Service Project</i>
Are we there yet?	July 18 th - July 22 nd	Bring your map and compass as we learn how to navigate Camp Moody's unique topography. At the end of this week you will have the answer to the age old question, are we there yet?	<i>Mapping and Navigation</i>	<i>Find the (Camp Moody Mascot)</i>
Arte en Plein Air	July 25 th - July 29 th	Let's take art outdoors like the French in the 1800s! Whether we are water coloring at the creek, weaving in the woods, or splatter painting from the zip line this is sure to be a week of creation.	<i>Outdoor Art</i>	<i>zip line splatter art</i>
Living Talent	August 1 st - August 5 th	Animals have talents and so do you! We will uncover some amazing animal talents and tricks while getting to showcase some of our own!	<i>Adaptations and Artistry</i>	<i>CG Talent Show</i>
Earth, Wind and Water	August 8 th - August 12 th	Dig in to a week of rocks, minerals, and fossils. The deeper we go the more we will find!	<i>Geology</i>	<i>Find the Fossil</i>
