2023 CAMP MOODY THEMES

Leave No Trace	Come join the fun at Camp Moody as we learn all about the 7 leave no trace principles and how to be better stewards of the land! Campers will have the opportunity to help beautify Camp Moody by participating in our adopt a trail project.	Survivor	Come see which team is the most fit to survive the wildest of competitions and challenges out at Camp Moody this week. Between learning to build natural campfires and shelters to racing around camp competing in our minute to win it challenges, campers are sure to remember SURVIVOR WEEK!
Save the Earth	Get ready to experience some eco-education and action out at Camp Moody as we learn all about sustainability and how you can help save the planet! Campers will love our recycled materials floatable boatable challenge and race this week.	H2 Oh No	Water you waiting for? Water is a must for Summers in Texas. Join us for a week of water facts and fun! Campers will try out hydro-dipping in arts and crafts, have a mega water balloon fight during field games, go swimming, race through the water slide bounce house, and more!
Texas Native	There is a lot to be discovered at Camp Moody this week! Come explore our 85 acre nature oasis while learning all about native plants and animals in our area of Texas. Campers will get to participate in planting and beautifying Camp Moody's new garden!	Art in Nature	Let's get creative out in nature! Campers will use their imaginations as they create outdoor nature mandalas, watercolor by the creek, weave in the woods, and tie dye.
Come Fly Away	Bird, bugs, and flying contraptions! Come fly away with us on our zip line, giant swing, and quick flight this week as we soar into learning about all things with wings! Campers will create their own mini parachute to drop from the top of our challenge course tower and participate in a paper airplane competition.	Moody ROCKS Out	Do you dig geology? Well get ready to come rock out at Camp Moody this week as we learn all about rocks, minerals, crystals, and fossils! Campers will get to go on a fossil hunt, grow their own rock candy, and participate in our Camp Moody ROCKS talent show and dance party.
