

Greater Austin YMCA

2023 Basketball Rules & Guidelines

The YMCA of Austin has a responsibility to our community to serve youth and their families through positive experiences that teach them the value of community togetherness.

YMCA of Austin youth sports will focus on the development of the whole child through age-appropriate & character-based curriculum, delivered in a judgment free environment that allows participants to learn, develop, and be filled with joy.

These recreational youth development programs will produce memorable experiences.

Through purposeful training of staff and volunteers, targeted marketing, and clear communication, the YMCA of Austin can fill the gap in our community and provide non-competitive youth sports leagues, so that young people may:

- Develop youth sports skills & grow into well-rounded athletes and people and realize their potential as active, engaged, and thriving global thinkers.
- Engage in youth sports for multiple seasons as well as other Y youth programs (camp, swim lessons, afterschool, etc).
