2024 KINDER CAMP THEMES

Weekly Themes:	Descriptions:	
CELEBRATING FRIENDS	Lets explore how friendship can grow, through helping, sharing, and fun. Our unique stories will be celebrated as we share them one by one.	DINOSAUR DIG Join us in an adventure to see dinosaurs in their prime. These giant lizards never get old for explorers, like you, throughout time!
AT THE OCEAN	Dive into the deep blue sea to swim with the fishes and whales. We'll glide through the waves hunting treasure with the wind in our sails.	PICNIC TIME What's that rumble in your tummy? I think you need a tasty treat! Join us on a picnic with our crawling friends, as we learn what healthy foods to eat.
OUR FIVE SENSES	It's time to listen, smell, taste, and feel to explore what our bodies can do. Put on your dancing shoes and sunglasses, as our five senses make their debut!	PETITE PICASSOS For all little artists who love to paint and see many colors swirl, get out your brushes and easels and let your creativity whirl.
CATERPILLARS & BUTTERFLIES	Let's dig through the dirt to find a friend who will change from a caterpillar to a butterfly. Together we will explore how they transform to soar through the sky.	CAMPING WE WILL GO Get ready for a week of camping-let's hear your inner bear ROAR! Adventuring with our woodland friends that scurry, burrow, hop, and soar.
EXPLORING COLORS	Primary colors red, yellow, and blue turn into our secondary colors too! Explore the colors around me and you as we mix them together in all that we do!	BUSY BUILDERS Can you build a tower that is taller than the sky? You'll get the knack as you make a stack that's oh so very high.
